WELCOME SPRING!!!

Sunday May 12th is Mother's Day and we will be giving corsages to all the ladies. National Nursing Home Week is May 12-18. We have a lot of activities planned and would like to invite everyone to join us in celebrating this special week! Everyone at Bayside works hard to provide the best care for our residents and we encourage you to enjoy the festivities with us.

Just a note to thank all of the families who participated in Easter Dinner. We served 17 extra meals. We would remind everyone to please let us know if you are joining us for a holiday meal and purchase your ticket from any Nurse or from Jamie in the front office in advance.

We have reached out to the Community for Volunteers and ideas on programs we can present. The Mission United Lutheran Church has volunteered to host the monthly Birthday Party for May. June will be hosted by the Aura Hospital Auxillary.

We are looking for ideas for the 4th of July Parade. It is the 50th Anniversary and we can do any theme we want!

The waterfront concerts will begin after Memorial Day and we will attend, weather permitting.

Also, the residents will be planting in the raised gardens in the courtyard again this year. Please watch your monthly calendar for all our new activities and some of the old!

We would like to thank everyone for all

the suggestions, assistance, and compliments given to our facility.
